League Statement as at 14/10/2010

Dear Secretary,

Please find enclosed a list of suspensions imposed on players playing in your league and other suspension information. All suspensions are inclusive. The report consists of the following sections.

Section 1 Suspensions where the offence took place in a fixture in your league.

Section 2 Suspensions for players related to your league. The offence did not take place in your league but at least one team from that club plays in your league, and the player may therefore be eligible to play in your league.

Section 3 Changes to suspensions already notified. Suspensions may change after we have advised you of the detail. The most likely cause of this is that the suspension is match-based, and the team's fixtures have been subject to change.

Section 4 Sine die suspensions. Players placed under permanent suspension in the last 7 days or where permanent suspensions have been lifted in the last 7 days.

Section 5 Club suspensions/charges. Shows any clubs who have teams in your league who a) will be suspended in the next 7 days or b) have been suspended in the last 7 days or c) have had a suspension lifted in the last 7 days or d) Club charges proved in the last 7 days

Section 6 Payments received by us from your league.

A section will not appear unless there is data in that section.

Yours faithfully,

Mark Ives
Disciplinary Manager
