

## **PLAYERS INTERNATIONAL CLEARANCE**

Below you will find an overview of the F.A. Regulations regarding a Player's International Clearance. The full document of the related form can be found on page 2 of this document..

The F.A. Rules state:-

"Players registered with one Association may only be registered with a New Association once the latter has received an International Transfer Certificate (ITC) from the Former Association. The ITC shall be issued free of charge without any conditions or time limitation. Any provisions to the contrary shall be null and void"

An International Clearance Form itself states that:-

"This form must be completed for a player who has previously played abroad (including Scotland, Wales and Northern Ireland) and who is to be registered to play for a Club in England."

It goes on to say:-

"It must be understood that the registration of the player who has previously played abroad will not be accepted until The Football Association is in receipt of an International Registration Transfer Certificate issued in his/her behalf by the former Association. The player must not register or play in England for any Club at any level until his/her clearance has been received"

Any questions regarding the above should be made to the Registrations Department at the Football Association.
